Amour Women, LLC Launches to Investors, Vendors and Legacy Leaders

CEO Canetha Amour-Porter keeps her company all natural while empowering women.

Sterling Heights, Mich.—Today, Amour Women, LLC launched as a direct sales company that carries products made by women, sold by women for women.

“I am proud to say Amour Women, LLC is open for investors and is looking for legacy leaders—women who want to earn money for their families without the guilt many working mothers face every day,” announced Canetha Amour-Porter, founder and CEO of Amour Women, LLC.

Amour Women, LLC offers a full line of all-natural pampering products including:

- Fragrance oil
- Body powder made from arrowroot in three wonderful scents
- Powder puff for self-pampering
- Body lotion elegantly packaged in glass bottles
- Luxurious soap
- Sugar scrub
- All-natural CBD sensual spray for women
- CBD oil
- Shampoo, conditioner, treats and CBD oil for dogs

Jackie Barlow, founder of Michigan-based 12 Petals CBD, is the first vendor to partner with Amour Women, LLC.

“Women have to choose between their children and work all the time. Amour Women, LLC, gives women the opportunity to have time for both. If you’re looking for something else and want to work from home, we can help. Women have so much to offer the world of business and sales. I want to give as many women as possible the opportunity to grow professionally and get the footing they need to be entrepreneurs,” said Amour-Porter.

Amour Women, LLC is a sister company to Amour Your Body, LLC, located in Sterling Heights at 44444 Mound Road, Suite 400b. Specializing in all-natural products, both companies feature handmade creams, fragrances, oils and more—all of which are suitable for sensitive skin.
